

Dear CHCS Patron:

As we begin a new year of school and athletics at CHCS, the booster club would like to welcome you and also encourage you to get involved with the booster club! Football, Cheerleading, and our Dance Team are getting ready to kick off and Lady Trojan Softball is already in full swing. Basketball, Baseball, Track and Golf will be right around the corner!

This letter is to ask for your support for all our current and future athletes at our school. We want to offer our children the ability to participate and compete well in all athletic activities and to do this they need proper equipment, facilities, training, and support to excel. Athletics give our children the ability to increase self-esteem, confidence, leadership, and promotes work ethic as well as a sense of teamwork that they can carry into the workforce later in life!

Below you will find ways that you can support our athletic program and school and in turn enhance the athletic experience for all our student athletes. Please consider helping us in some or all of the following ways:

- Become a member of the booster club with a \$25 annual commitment.
- Buy an "All Sports Pass" which allows you access to all home sporting events throughout the year for \$150. You may buy a season pass for a particular sport for \$50 each.
- Buy a parking pass to park next to the football stadium for \$50.
- Purchase or place your name (as seats become available) on the reserved seating list to sit in chair back seats for football and basketball seasons.
- Buy an ad in the football program for \$25 for a half page and \$50 for a full page advertisement.
- Buy CHCS merchandise from the booster club that will allow you to show your "Trojan pride" wherever you may go. Also, consider participating in any fundraising activity that the booster club may offer during the school year.
- Volunteer to help the coaches, athletes, and administration. There is a lot of preparation that must take place for things to run smoothly on game days.
- Last but most importantly, pray for the safety of all students at our school and come to the athletic events and cheer for them! The cheers they hear along with the relationships and memories that they make participating in athletics will stay with them for the rest of their life. Please be a part of those memories!!

If you would like any additional information related to any of the above opportunities, please call me at 601.506.5083.

Let's have a great year! Go Trojans!

Steven Rutledge

Booster Club President
