Dear Parents,

Unfortunately, there is going to be a decrease in the Woodson-Lillie Reed Earl Scholarship Fund for the 2010-2011 school year. Also, there will be a slight increase in tuition. However, CHCS is still the most economical private school in the area. Also, listed below are some of the valuable programs here at CHCS that other schools our size do not have or that they charge for:

- **No building fund fees**
- **ELS Program**
- **Music Program**
- **Accelerated Reader Program**
- **Drug Testing Program**
- **Students do not have to pay admission for regular home sporting events**

In addition to regular expenses of operating the school, we also must maintain our technology by continuing to keep our computers, books, and workbooks up to date and working and by improving upon our Elementary and High School Libraries. Therefore, the amount of tickets each family is required to sell will remain the same.

Pre-Registration for returning families for the 2010-2011 school year will be from Wednesday, March 10, 2010, through Friday, April 9, 2010. Students trying out for Jr. High or High School Cheerleader must be registered by Wednesday, March 31, 2010. A late fee of **\$300 will apply to any failure to meet the deadline of Friday, April 9, 2010. Applications may be printed from our website, or you may come by the high school office.**

Registration for new families for the 2010-2011 school year will be from Wednesday, March 10, 2010, until the school year starts.

You will need to come to the office to register and fill out your FACTS forms.
