**March 17, 2008**

**Dear Parents,**

**Unfortunately, there is going to be a decrease in the Woodson-Lillie Reed Earl Scholarship Fund for the 2008-2009 school year. However, despite this decrease in the scholarship fund, CHCS is still the most economical private school in the area. Also, listed below are some of the valuable programs here at CHCS that other schools our size do not have or that they charge for:**

- **No building fund fees**
- **ELS Program**
- **Music Program**
- **Accelerated Reader Program**
- **Drug Testing Program**
- **Students do not have to pay admission for regular home sporting events**

**In addition to regular expenses of operating the school, we also must maintain our technology by continuing to keep our computers, books, and workbooks up to date and working and by improving upon our Elementary and High School Libraries. Therefore there will be an increase in the amount of tickets each family is required to sell.**

**Pre-Registration for returning families for the 2008-2009 school year will be from March 17, 2008 through April 4. A late fee of \$200 will apply to any failure to meet the deadline of April 4, 2008. Applications may be printed from our website, or you may come by the high school office.**

**Registration for new families for the 2008-2009 school year will be from March 17, 2008 until the school year starts.**

**You will need to come to the office to register and fill out your FACTS forms.**
